OTHER CONDITIONS

Connections are to be assembled in accordance with the manufacturer's instructions and recommendations.

"This Certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register EMEA of any modification or changes to the equipment in order to obtain a valid certificate."

The attached Design Appraisal Document No. 04/00101(E2) and its supplementary Type Approval Terms and Conditions form part of this Certificate.

All other details remain as the previous Certificate No. 04/00101(E1) to which this extension should be attached.

Certificate No.	04/00101(E2)
Issue Date	20 January 2012
